

Youth of Excellence Scheme of China (YES China)

Zhejiang University
Master of China Studies (MCS)
2024/2025

University Profile

Zhejiang University (ZJU) Zhejiang University is a Top 3 leading higher education institution in China. It has a culture of innovation and entrepreneurship and a global reputation for collaboration and creativity. The university is ranked No.6 in Asia and No.42 in QS World University Rankings 2023.

International Campus The International Campus sits in the Yangtze River Delta Region, one of the most economically dynamic regions in the world. The campus is awarded as the International Collaborative Education Model by the Ministry of Education in China, with its tech-advanced facilities, interdisciplinary atmosphere and multinational communities.

Zhejiang University International Business School (ZIBS) ZIBS is a leading global business school to facilitate academic and corporate exchange. This innovative business school is an inclusive institution surrounded by ecological partnerships and platforms, featuring international engagement and practical-oriented pursuit. On 10th September 2016, the MCS program joined the International Campus of Zhejiang University, kicked off a new chapter.

MCS-YES China Program Overview

Established in 2007, MCS is China's FIRST master program issued and approved by the Ministry of Education.

MCS is Zhejiang University's most impactful global program with over 600 alumni. This program helps students to better know China, experience China and interact with China.

In 2014, The MCS-YES China Program was selected as YES China Scholarship and was the ONLY China Studies program in YES-China ever since. With 8 classes and 130 graduates, the network spans over 40 countries along Belt and Road Initiative (BRI). Those alumni have worked in critical roles in engaging with China-related affairs and global collaboration.

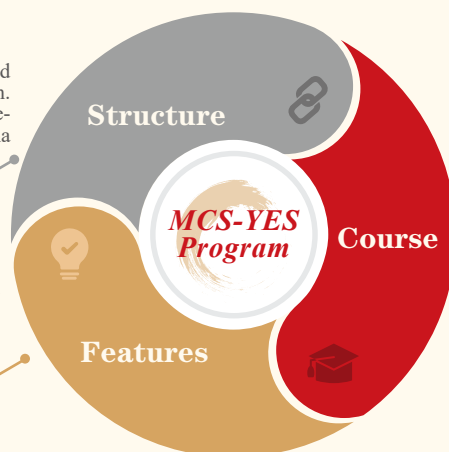

Specifics

►► Structure

One-year English-taught program, combined with personalized and topic-oriented research. The program is led by a professional management team with a focus on practical China experience.
